BASKET BALL GAME WON BY HIGHS

MILLS INSTITUTE PUTS UP A WEAK AGGREGATION OF PLAYERS

The High School Basket ball team won from the Mills Institute yesterday by a complete walkover, owing to the fact that the Mills team was composed of only a bunch of scrub players. For some reason not very satisfactorily explained, the best of the Mills players failed to show up, and a substitute team was quickly made up of the only material available. The score stood 26 to 3 in favor of the High School.

The following is the line up of the teams:

Higgs—R. Gilliland, c.; J. Gilliland, H. Hughes, guards; Dwight, Turner, forwards.

Mills—Wong Pui, Chung Pui guards; Ah Yen, center; Ah Moi, Ah Pui, forwards.

PLANNING A NEW FIELD DAY MEET

PLANS ON FOOT AT Y. M. C. A. TO HOLD BIG FIELD SPORT CONTEST IN MAY.

Plans are on foot for what is expected will be the largest and most important track meet of the season, to be held some time in May under the auspices of the Y. M. C. A. athletic association. Although nothing more than the bare outline of the affair has been discussed, Dr. Hand will no doubt decide fully within a few days and unless some unexpected obstacle arises to prevent, the athletic event of the season will soon be in full course of preparation.

If the plans do not miscarry some of the best field men on the Islands will test their ability and strive for a bunch of the handsomest medals ever seen on a local field.

ROLLER SKATING FOR BALL PLAYERS

NEW SYSTEM OF EXERCISE ADOPTED BY SEALS TO PUT THEM IN CONDITION.

BAKERSFIELD, March 12.—The Seals have started on a new system of training, one which includes roller skating among its exercises. Last night for the first time the ball tossers learned that there was a rink in Bakersfield and they straightway spent the hours from 7 until 10 o'clock on the rollers. This afternoon, with the consent of Danny Long, and after a good practice this morning, the players all met on the floor again. The men liked the sport and Long said that the exercise is good for them. Big Barney Joy in particular is delighted with the rollers, and though his falls are many he is learning fast. Pitcher Wheeler arrived from Los Angeles this morning and starts work to-morrow, but Oscar Jones will probably not join his team until they go north. Henry is expected from Sacramento to-morrow. Hogue started a little preliminary work to-day, but did not let himself out, while Joy and Moriarty continued to distinguish themselves by their phenomenal speedy playing.

A BOY'S CONTEST.

PALMER TO FIGHT "TWIN" SULLIVAN

ENGLISH HEAVY-WEIGHT PUGILIST WILL TRY FOR HONORS AT LOS ANGELES NEXT WEEK.

PHILADELPHIA, March 11. Jack Palmer, English heavy-weight, left here last night for Los Angeles, having been matched to fight there March 26th with Jack "Twin" Sullivan. Matchmaker McCarey of the Los Angeles club yesterday wired Palmer offering him a bout with Sullivan and agreeing to give transportation to California for Palmer and his backer, Jimmy Lowes. The terms offered were 50 per cent of the receipts to the fighters, the purse to be split 60 per cent to the winner and 40 per cent to the loser. Palmer wired his acceptance as he was convinced that "Philadelphia Jack" O'Brien would side-step all offers to meet him in this city. O'Brien is talking about retiring from the ring after his coming bout with Tommy Burns in Los Angeles next May, in order to devote attention to his Nevada mining interests and the hotel which he is to open in San Francisco.

GOVERNOR VETOES THREE MORE BILLS

TAKES FALL OUT OF LABORERS' WAGE BILL—DOESN'T LIKE JURY FEE BILL EITHER.

The Governor reported three messages to the House yesterday, each of which contained a veto. In none of the cases was any action taken by the body, the matter being deferred until tomorrow.

Senate Bill No. 52, which was vetoed, provides for rebuilding a road from Kapua in South Kona, to Kahuku, in Kau. The Governor declared such a bill would set a bad precedent, and that there was no more reason for it than for the legislature to repair any roads which are damaged by storms or rains.

Senate Bill 6, relating to juries and trials by juries, and providing for increasing the fees for jury duty from \$2 to \$3 per day, the Executive vetoed on the grounds that such an increase in fee not only would make a great additional burden on the Territory, but would tend to produce a system of professional jurymen. He declared that the bill would increase the jury expense at least \$22,000 above that now being paid. It should be the patriotic duty of enlightened citizens to perform jury duty. The reduction "as if in palliation" of the mileage from 10 cents to 5 cents, would be far from offsetting the increase, the Governor thought. If the fee is increased, the increase should be paid to the litigants as in the case of the Federal Courts.

Senate Bill 27, on which the Executive axe also descended, was one fixing the pay of laborers on road and other public works at \$1.50 per day. This was one of the popular vote getting measures of both Houses, and went through with a cheer. The Governor, however, says that it would restrict counties and make needed improvements impossible, besides he says: "It is an attempt to limit by legislation the price of a commodity, a course never wise." It would also be a hardship to less able workers who would be deprived of work they might be able to do, and the varying conditions in different sections would make it a very inequitable way of having necessary work done.

GOOD EXPENSE SHOWING IN HOUSE

MEMBERS FLATTERING THEMSELVES OVER KEEPING DOWN EXPENDITURES.

The House of Representatives is pluming itself over the good showing it is making this session in the way of holding down expenses. The following is a statement of the amount expended to date: from

Territorial appropriation.....\$5,552.43
Federal appropriation.....5,334.26

Total\$11,386.69

This is the 27th day of the session, making the average daily expense \$421.72 as against over \$800 average for last term. The House however, has done but little junketing so far, and if a few proposed trips about the Islands are made, the report may not look so good as at present.
